Now that you've answered these questions, we'd like you to ask a family member to answer the same questions on the following pages.

What is missing?

Name:

Relationship:

Age:

When you've finished asking a family member, we'd like you to ask someone else from your community to answer the same questions on the following pages. Maybe you could ask someone older or younger than you or someone who might have different experiences and memories of your home.

Name:

Role in the community:
