

If you were to describe your eBook as a meal...

What would its ingredients be?

What would the recipe to prepare it look like?

did you choose the eBook as part of your project?

Why...

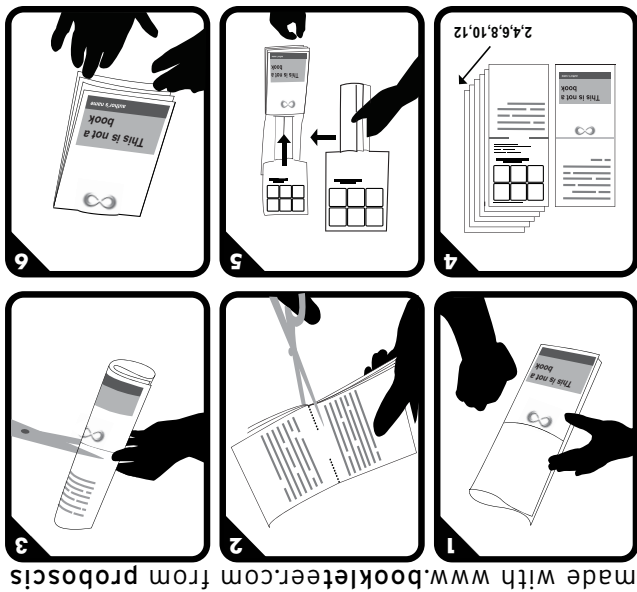

will be using the eBook?

introduced you to the eBook?

Who...

# The eBook Observer

Frederik Lesage

made with [www.bookleeter.com](http://www.bookleeter.com) from proboscis

2010-03-15  
 A notebook for gathering user experiences and examples of uses of [bookleeter.com](http://bookleeter.com) for an ongoing investigation into its application and potential.  
 Created by Frederik Lesage for Proboscis, March 2010

How is it served?

**What...**

have you designed the eBook for?

do you plan to do with the completed eBooks?

were the eBooks used?

**Where...**

did you use the eBook?

**When...**
