Empty Shops Network

11 City Arcade, Coventry

22-27 March 2010

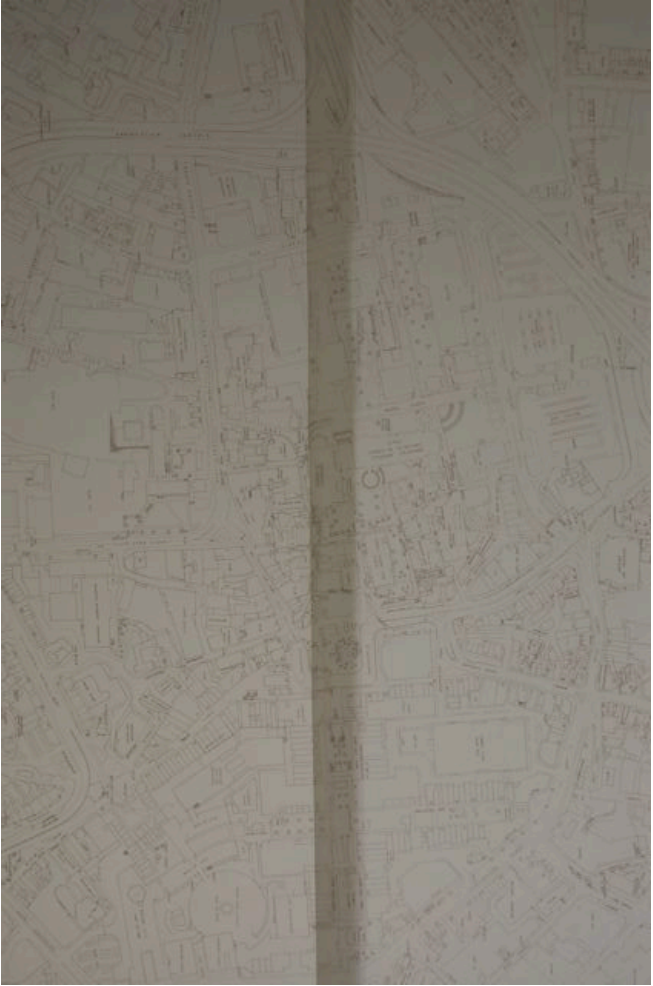

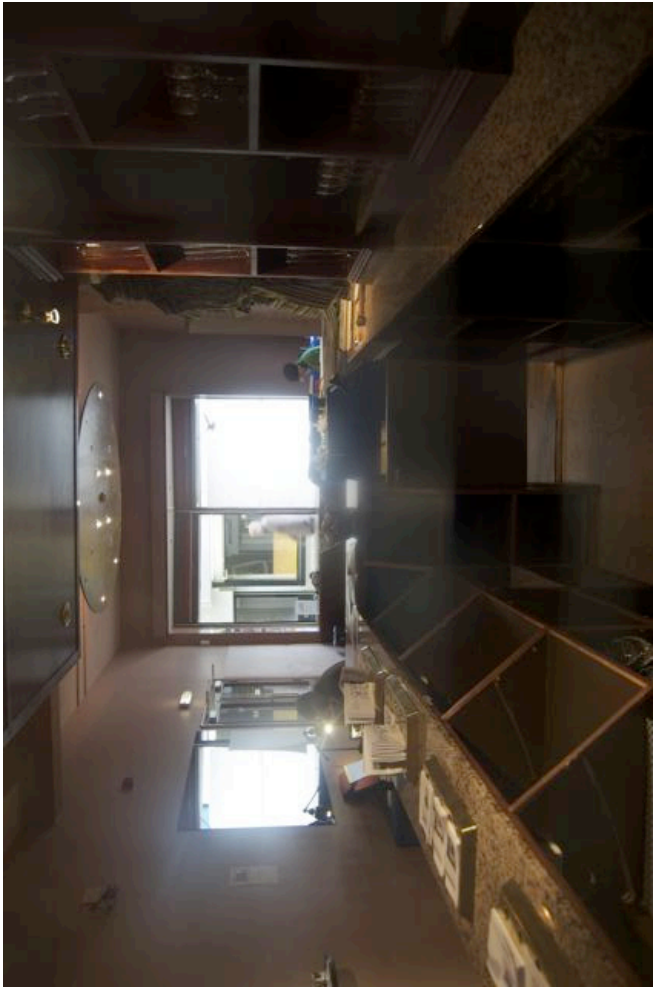

An old award-winning bar used as workspace, networking base and gallery for one week.

The Empty Shops Network brought in The Caravan Gallery, Proboscis with Bookleteer, Alice Angus, Steve Bomford and Dan Thompson.

The bar was full of glasses; tall thin ones for foreign lager, wine glasses with Oliver & Greggs logos on them, thick and heavy pint pots for Hoegaarden.

The windows were filled with seagulls, like in Shoreham by Sea and Carlisle; and with giant maps of Coventry printed on transparency paper.
