Media partner: Spacing

March 31 2010 - December 31 2010

In-Site Toronto is a series of newly commissioned artwork that will be presented on the portal pages of wireless internet hotspots in the Wireless Toronto network. Artists Jeremy Bailey, Brian Joseph Davis, Dave Dymment, Willy Le Maitre, Fedora Romita, and Swintak have created works that enhance how we perceive familiar places in Toronto, and comment on our contemporary online experiences. The works can be accessed by simply logging in to your free Wireless Toronto account.
