

Climbed up on a rainbow, Just to see if I'd fall off  
 I'm a freckled lemon coward And I don't know  
 how, No don't know how to hold you, Without  
 shaking, No I don't aware of how, I could  
 possibly love you, Without aching, Yes I give  
 you everything, Yes I give you anything, I  
 gave you everything. Gotta watch myself,  
 I've gotta love myself, And take care, And  
 so keep the light on before, Ya hop into bed,  
 Cause, baby, this is the last, Harvest look  
 I'm over give, I saved up all my sunshine,  
 Just to see you more clear, I'm a little  
 short on solar, And I haven't given  
 in, No I'm going to hold you  
 anyway without shaking, Yes I'll  
 love you always And  
 I'll do it without  
 aching Yes I'd give you  
 anything Yes I'd give you anything  
 I gave you everything, Gotta watch  
 myself. Tegan and Sara ♥

To explain who we are...  
 !s it hard, experiences, achievements,  
 failures, friends, goals, family,  
 location...  
 I feel that I know who I  
 am because of my experiences,  
 my achievements, failures,  
 friends, grades, family, and  
 being in Canada.   
 This is hard to change  
 but for now I am content!
