a bold promise--
sweet but deadly,
from which the universe originated--

The Tongue Conceals Time: Emergent Poems

1.

Light on one's feet,
you will arrive
ready to slice and enjoy.
We envy

2.

Priest examines
controversial historian's past.
Dreaming up adventures,
he
filled
a small herd of sheep
with poetry.

Upset by
alleged sex
in public places,
our upright-walking ancestors
confused inspiration
with a robust, ready laugh
and shared ideas
to ensure that
nothing feels as good as
amazing speed.
Officials say found bones
are old remains.
Evolution of man:
a painful but effective teacher.

I discovered that I enjoyed the English language
walking along a dusty road.
The tongue
conceals time,
helps prevent
a cacophony of gleeful screams.
Unlike to satisfy all
in size and style,
but
it's not really that bad.
There's poetry in it,
an uncomplicated flutter

bad behavior,
unpleasant sensations.

Pudgy little experts
with super-plush badger hair
will arrive looking great,
empowered to raise
mysteries of the universe.

They're fun, feel good, and full of opportunities.
