Opportunities to network / coincide with like-minded peers.

Opportunities for collaboration, broadcasting, hosting, earning, networking.

Academic papers, data sets. Papers! Papers!

Web, email, data.

Opposites attract.

Can't only be for academics, or university educated people.

Key people from all walks of life. Community leaders but also footballers.

People who don't already see the point of university education.

Next generation, older people (lifelong learning).

Creative industries.
